

AzaleaSM eRx

AzaleaSM eRx Features:

- Drug-drug, drug-allergy interaction checking, dosage alerts, and other clinical decision tools
- Real-time patient medication lists pulled from three PBM's and pharmacy fill history
- Electronically send legible prescriptions
- Patient specific formulary status displayed at point of care
- Electronic mail order connectivity to Caremark, ESI and Medco
- Send split prescription to both retail and mail order pharmacy
- One click renewals
- Intuitive user interface

Benefits:

- ✓ Web based; users can log-in from any computer at any time.
- ✓ Fewer calls from pharmacies and fewer potential adverse drug events.
- ✓ Increased on-formulary prescriptions.
- ✓ Faster patient notification in the event of FDA safety alerts, without having to pull any charts.
- ✓ Safer prescribing with access to clinical decision support tools.
- ✓ Fewer handwriting interpretation errors, which are estimated to cause 9% of all medication errors.
- ✓ Increased productivity due to less time spent with pharmacy questions and renewal requests.
- ✓ Faster, one click, multi-script prescription renewal process. Case studies suggest a savings of 1-2 hours/day for office staff.
- ✓ Eliminates calls from patients requesting alternative covered medication, mail order submission or in need for the prescriber to obtain prior authorization.

Electronic Prescribing Solutions

AzaleaSM eRx (ePrescribing) gives the prescriber the the ability to electronically send an accurate, error-free and understandable prescription directly to a pharmacy from the point-of-care.

AzaleaSM eRx is a viable solution for reducing the errors associated with the current paper-based prescribing processes such as hand-writing illegibility, wrong dosing, and missed drug-drug or drug-allergy reactions. It is an important element in improving the quality of patient care and enhancing patient safety.

AzaleaSM eRx is also integrated in **AzaleaSM EHR**. To set up a live demo, or to find out more about **AzaleaSM eRx**, email sales@AzaleaHealth.com or call **877-777-7686 ext 1**.
