Medical Billing Solutions

Accounts receivable (A/R) is one of the most important assets in your practice.

A poorly managed A/R can affect your short term cash flow as well as the long term financial health of your practice.

Our Professional Billing Services will help reduce the stress incurred from having to deal with the non-medical, business aspects of your practice. Azalea Health Innovations' medical billing professionals will allow you to focus on what you do best, providing the utmost care to your patients.

Azalea Health Innovations' knowledgeable and experienced staff stays up to date on the latest billing and coding regulations so you don't have to.

Azalea Health Innovations provides its customers with a secure web-based medical billing portal and practice management system (AzaleaSM PM). AzaleaSM PM is free for providers who utilize our Medical Billing Services.
